Anjarle Turtle Festival from Pune

2 nights, 2 days

Overview

Anjarle Turtle festival 2025 - Travel by AC bus from Pune

Anjarle Village is hosting its first turtle conservation event. Let us support the villagers and provide support and motivation to villagers by participating in Anjarle Turtle Festival.

Anjarle beach located near Dapoli is well connected by roads and a prime example of Konkan beach. Unspoiled a sleepy fishing village surrounded by beach covered with coconut trees. You can spend your weekend here refreshing and taking the beautiful sights around Anjarle Village.

Anjarle is also famous for the 'Kadyawarcha Ganpati' temple located on a cliff. Anjarle beach Turtle Festival is organized by Sahyadri Nisarga Mitra and Kasav Mitra Mandal. Olive Ridley Turtles eggs are protected at nest site after they are laid on the beach by Turtles. Protected eggs are later released when they hatch into baby olive ridley turtles with the hope they will return one day again to lay more eggs on the beach. Watching these baby turtles take their first steps as they find their way towards the sea is an unforgettable moment.
