Also there are temples of Hanuman, Jarimari mandir and Goddess 'Bhavani Temple'. Impressions of Chhatrapati Shivaji Maharaj's fingers prints found to be preserved here on one of the wall . Also lies, inside the fort worth seeing temples of Bhavanimata, Shambhu Mahadev, Jirimiri & Mahapurush. All are in good conditions.

Tarkarli Beach

Tarkarli is a narrow stretch of beach with pristine waters, located at the convergence of the Karli River and the Arabian Sea. It is 546 k.m. away from Mumbai, 6 kms. south of Malvan, on the west coast of India. This place has gained prominence because of its transparently clear seas, where on a fairly sunny day, one can see the sea- bed up to a depth of 20 feet. This beach can be rightly called as 'Queen Beach' of Sindhudurg.

Scuba Diving

In India there are a very few places where scuba diving can be done and Malvan is one of them. Due to its relatively clear sea waters, Malvan serves as a perfect spot for scuba diving (done mostly with surface oxygen supply) and snorkelling. Near the outer walls of Sindhudurg fort one can see lots of live corals and beautiful marine life under the sea.
